the following  
statement to  
Det. Smith

On October 30, 1984 Rhonda Herrera gave Rhonda said she has known **Tommy** Ward for nearly a year. She met Odell Titsworth in February of 1984 and Fontenot in May of 1984. She was introduced to Odell by Niki Lindsey at Glenwood Park. She

met him again on Main street one evening while he was with a couple of girls. She said Odell got loud when he was drunk and tried to be macho, but never knew of him having any fights.

She said she saw the composites on TV and thought one of them looked like Tommy Ward. Melvin Hardin told her Tommy Ward made a statement one time when he saw a girl, "it would like to knock ~~her~~ ~~girls~~ ~~to~~ her teeth out and fuck her in the mouth.

Rhonda said she lived with her brothers, Tony and Jimmy Hardy, in Okla. City until April 20th. She came back to Ada and stayed a couple of weeks with Janette Roberts. She moved in with Mary Kyle on Mississippi North of Arlington a short time later. She said Sherry Kyle gave a party on April 28th for someone named Tim.

Rhonda said Janette Roberts had a couple of parties that she had gone to when Janette lived on South Townsend. She said when she stayed with Janette, Karl, Niki, Tommy, Jessica and sometimes Amy stayed there. She did not remember going to the Blue River until May 1984. She ~~she~~ said and Janette went to the Blue River with David Wilson. They saw Odell Titworth and some other people there.

A pickup pulled in facing the building between the door and the ice machine. A dark haired guy came in the store first, then a blond haired guy came in later. MOYER left approximately one minute after they came in. The pickup was about a 67-69 Chevrolet, light gray, rough looking. MOYER glanced at the tag but cannot remember it. The pickup may have had a trailer hitch on it.

**DETAIL OF OFFENSE (State fully all other circumstances of this offense and its investigation)**

Detective Lewis reported finding a body of a deceased white female in the Cumberland River. The body was believed to have been thrown into the river from a bridge that crosses the river about 1½ miles north of the area the body was found on highway 204.

The body is that of a white female described as being 21-30, 5-6, Light brown hair with a trace of red in it, no surgeries, probably has had no children and has had extensive dental repairs. Jewelry- 1 diamond solitar ring "Minners cut" 1 nugget ring, pearced earrings with amethysist stones, 1 pair of rope chain earrings. Clothing- none.

The boby was stabbed in the chest and had 2 defense wounds on her arms.

The body was taken to the state medical examiner's office in Louisville. The doctor in charge of the case was DR. Nichols. Dr. Bernstein is the dentist that did the dental work. His phone number is (502)-588-5587 work and (502)-459-7188 home. We spoke with DR Nichols on 6-15-84 and found that the body had all four wisdom teeth in place. The dental records of Donna Haraway according to DR. McBride indicate that Donna's wisdom teeth hadn't came in at the time of her dissappearance. We are to contact DR. Bernstein on Monday the 18th at his work number and he will try to cover the chart more completly to remove all doubt about the identity. According to the Pathologist's report the victim was dead around 2 weeks before being discovered. At this time it is not believed to be Donna Haraway. The Victim was found about 45 miles from the Body of Walkers victim that was found in Kentucky.

6-18-84 Dr. Bernstein was contacted by Dr. Jack Haraway and the body was completely eliminated.

stated he was riding his bicycle East on Arlington around 8 PM on April 28, 1984, a gray colored pickup with wheel wells on the bed drove by him going East. They were traveling fast & swerved around him. The passenger turned around and waved at him. The driver turned around and looked at him but didn't wave. Both men were in their early 20's. and were white males. The p.u. had a gun rack in the rear window. The rear window had some type of logo stickers on it.

About a month after the kidnapping the same two <sup>men</sup> came by his house in a light blue chev P.U. around 2 PM. Tony's mother, Margie Adams, was also home. Bobby Newberry was with them. He is tall, wears glasses and has long black hair past his shoulders. He is possibly part Indian, 25 to early 30's.

They sat in the back yard and drank <sup>2 or 3</sup> ~~some~~ beer. ~~They~~ The two men left to get more beer and came back in 15 <sup>to</sup> minutes.

They went to J P's conv. store. The clerk in the store commented that they looked like the composite drawings. ~~They~~ The dark headed person told Tony that he did it and he was a good butcher. They bought a case of Budweiser's in bottles. They drank the beers. They stayed about two hours. The blond headed boy was driving the truck when they pulled up. The truck was about a 1965 model. One was 5'9" the other was 5'7"

worked at f P's for 4 months.

Noticed she two men in the pool room ~~and~~. Gene Foreman left at 8 PM ~~and~~. They came in the store around 7 PM, they ask to use the phone. They were told they could use the pay phone outside. They ask for some quarters and she gave them a dollars worth of change each. They came back several times.

130 #1 dish water blond, light colored eyes. 5-7-5-8, 145-~~145~~, built good. acne scars on face. Their face had a purple scar tent. Hair was to the bottom of ear lobe, feathered back, parted in middle. light colored pull over tye shirt blue <sup>faded</sup> jeans Tennis shoes, early 20's.

23-24

#2 WM 6' early 20's sandy blond hair collar length hair, slight wave to hair. slender build, possibly blue eyes. He looked as if he was starting a moustache. Peach fuzz. Protruding Adams apple. dressed neat clear hair. Pale blue T shirt. Near new jeans, possibly designer jeans, tennis ~~jeans~~ shoes. Possibly a emblem on shirt,

092

She checked their drivers license & it was an Okla. license. She thinks the license had a Stonevall address.

It's a possibility that they left and came back later after Jim left

~~They went to the liquor store and~~  
~~looked at the Reunite wine, Purchased 1/2 gallon of wine~~  
 They came in the store around 8 and ask for 2.00 worth of quarters again for the pool table. He got busy and noticed them in line to be served. The tall guy bought a six pack of bud. He said he didn't want a sack for the beer, he said they were going to drink it on the road & it wouldn't last that long. They said they were going to the liquor store and looked at the wine. They looked at the red Reunite 1/2 gallon & bought it. They walked out of the store toward the West end of the store. The tall guy drove. The P.U. was an old P.U. with a step on the side, possibly short bed. Red primer with a light color spot on the drivers side. That possibly went to the bed of the truck. Most of the truck that she could see was the rust primer color. It had big, wide rear tires. Possibly loud exhaust. The truck traveled back toward town, Possibly a green Okla tag. Was thinks they were in the store on Wed the week before.

092

The week before when they came in they played pool and brought a 6 pack of bud to go. They were driving the same truck. The tall guy paid for it. The shorter guy seemed to be shy, and wouldn't look you in the face. They talked like they were from the streets.

The tall guy had blond <sup>real</sup> hair on his arms & maybe a gold watch. He was real fair skin.
